the 1990s, the number of people in the UK who are aged 65 and over has increased by 1.5 million (1990–1999) (Office of National Statistics 2000).

There is a growing awareness of the need to address the health care needs of the elderly population. The Department of Health (1999) has set out a strategy for the NHS to meet the needs of the elderly population. This strategy is based on the following principles:

- The NHS should be able to meet the needs of the elderly population in a timely and effective manner.
- The NHS should be able to meet the needs of the elderly population in a way that is consistent with the values and principles of the NHS.
- The NHS should be able to meet the needs of the elderly population in a way that is consistent with the needs of the wider community.
- The NHS should be able to meet the needs of the elderly population in a way that is consistent with the needs of the individual.

#### Background

The NHS is a large and complex organization, and it is difficult to ensure that it is able to meet the needs of the elderly population in a timely and effective manner. the 1990s, the number of people with a mental health problem has increased by 50% (Mental Health Foundation 1999). The prevalence of mental health problems has increased in the general population, and the incidence of mental health problems has increased in the prison population (Mental Health Foundation 1999).

There is a growing awareness of the need to address the mental health needs of prisoners. The Department of Health (1999) has published a strategy for mental health services, which includes a commitment to improve the mental health of prisoners. Celebrations were widespread around campus.

# DESIGN GROUP

Design Group involves students interested in designing and producing graphic art work for Alton High clubs and organizations. Group designed several pieces for the wrestling team, including a wrestling logo by Chris O'Neal, and various posters for the Tatler Staff. As Design Group grows, it is hoped that it may develop into a creative force that will increase the graphic awareness at Alton High.

This photo taken by Greg Stroube was our most outstanding and unusual photo of the year. To better its compositional impact we cropped out a portion of it for the full page that we felt it deserved. We realized, however, that in cropping we sacrificed another exciting part of the extremely rare and fine photo. Congratulations Greg.

Dale Davis, Jennie Daengsurisri, Beth Holden, Nancee Young, Bev Pruett, Sponsor: Mr. Robert Hansen

The photo below is an example of some of the experimenting by the Tatler Staff. This photo also appears on page 30.

# ICE FOLLIES

By  
Dale Davis

Don't worry about the kid, dig out the camera'.

Tatler Staff members are willing to die for a better picture for the 1979 Tatler. For example, Dale Davis stayed all night in a sleeping bag just to get a picture of the sun rising over the Main but, unfortunately, he over-slept. A concerned student woke him during third hour passing period.

"That will teach her".

"Tatler Staff members sure go all out."

"It's third hour, I'd better wake him."

"Is it too late for the sun?"

Yes sir, these are the two.

Because I have been given much, I too, shall give.

O God, life was empty- I lacked something, until you gave me your Word.

The best way to keep happiness is to share it!

Because I have been sheltered & fed, by thy good care, I cannot see others lack, and not share.

Life is good and friends are kind.

Lord, make me an instrument of thy peace . . . where there is doubt, let me sow faith.

# OUR EATERY

Many People have different ideas about our lunch room. For some, it's their favorite hour, others may have different opinions.

This is one unknown poet's opinion . . .

There once was a boy named Ra-oul,  
Who ate in the lunchroom at school.  
But with the last of his crumbs;  
He ate a few Tums,  
For as a rule, Ra-oul was no fool.

I'm getting out of this place!

Do you really expect me to eat this?

"Finger lickin' good"

That peanut butter sure was sticky!

Don't tell her what she just ate.

I know I had some Tums in here someplace.

WOW, was that hot!

Just wait till they try to eat it.

I think I'm going to be sick.

Every picture is said to tell a story. Occasionally, however, a photo cannot tell the whole story thus supplementary materials such as a write-up or another photo is needed. The Tatler Staff in hopes to bring the whole story to light has put these pages together which are called

## SEQUENCES

Note of course: All of these sequences were indeed true-to-life, and happened just as recorded here.

### A DAY IN DRIVERS ED.

1. "You must always yield to humans in the crosswalks."
2. "You sure can't add-up many points that way."
3. "You were supposed to stop for me when I stepped in front of you."
4. "But he never said anything about stopping for teachers."

12:41 P.M. Students congregate around the V. W.

Did you say "ham & cheese or who cut the cheese?"

Students in a field trip.

"Follow the leader" is popular in wooded areas.

### IN SEARCH OF TEN-HES-CHU

Field trips have always been a fun and exciting part of the educational process. Thus, when science students take a "field" trip it is always a neat adventure for them. In the following sequence students are searching out the Ten-Hes-Chu, the Oriental rubber plant (symbol P U).

Journey, I'm callin' you out.

12:43 P.M. Only students of prestige and/or money were allowed into the car.

12:50 P.M. Skirmishes broke out as students jockeyed for the drivers position.

## CRAMMED CAN

Beginning at 12:34 P.M. on Thursday October 19, a mass Big-Mac Attack occurred in the Pit area. Students were seen assembling around a small red V.W. Then as if led by some strange force, twenty-two ravenous students squished, mingled and mangled their way into the wee automobile. The car didn't move an inch but the twenty-four hour ordeal was heard to be a smashing success.

Whooooo!

Ahaaa! I need a pottie pass.

11:57 A.M. Friday: One of the students eventually had to be taken away in a "wire bus"

The little bugger spit tobacco ori me.

Here a student sniffs out the Ten-Hes-Chu plant.

Ah, success afoot! Note the intricate upper lacing which indicates growth around or near pedimentry soil.

She: "Now what about that lie you told me?"

He: "Which one?"

# ORAL INTERPRETATION CHRISTMAS PROGRAM

Members of the Oral Interpretation class are seen here performing children's literature for Irving Elementary School. Each semester the class, under the direction of Mrs. Enloe, perform for at least one grade school, a senior citizens group, junior high school or church group. The students use class time to practice their materials and have a hard time filling all the requests for performances.

Slow Dancing

This years Homecoming kept up the tradition of being very exciting. The week's events were as follows: Monday-Powder Puff Game, Tuesday-Sucker Day, Wednesday-Hat Day, Thursday-No homework and teacher appreciation day, Friday-Red and Gray Day, Saturday-The Homecoming Dance. The theme for the dance was "Fantasia," and the band was "Boulder." Everyone had a great time and the evening ended with the coronation of the new king and queen.

Seventh hour page editor check layout for December edition

False advertising at it's best!

The Redbird Word is published about eight times per school year by the journalism classes as part of class work. The paper is then printed by the vocational printing classes at the J. B. Johnson Center. The journalism students turn in suggestions for newspaper articles which include news, features, sports, editorials, photographs and artwork. The students do their own reporting, writing, typing, copy editing and layout work before the copy is set into type. Following type setting, the students do the final proofreading and paste-up and then send the camera ready pages to the J.B. Center for printing. On distribution day, journalism students sell the paper during the seventh hour class period. The price has remained at ten cents per issue since the first Redbird Word was published in 1967. Mrs. Marlene Hall has been advisor since that time.

Walter Lee and Ruth reconcile

What happens to a dream deferred?  
Does it dry up like a raisin in the sun?  
And fester like a sore—  
And then run?  
Does it stink like rotten meat?  
Or curd and sugar over—  
Like a syrupy sweet?

Maybe it just sags  
Like a heavy load.  
Or does it explode?

# THESPIAN TROUPE #126

Thespians work involves learning the art of applying make-up.

Troupe #126 of the International Thespians Society is an honorary organization with the purpose of encouraging students who have excelled in that field. To become a Thespians a student must earn points in more than one type of activity. Ten points are required for membership, and a Thespians continues earning credit after election to the Troupe. If he earns 60 points-a real achievement-he is awarded the rank of Honor Thespians.

C.A.S.E. club was first formed in 1968. It was called "Wat-tu-Wayuri," which is Swahili for Beautiful Black People. Its first sponsors were Mrs. Irene Sanders and Mrs. Polly Allred. Under their direction, C.A.S.E. has done many exciting things, such as the play, "That's the Way it Was", assemblies, dances and charity drives. This year they formed the C.A.S.E. Gospel Choir. It was formed to encourage the youth to study and perform gospel music.

Mrs. Allred sadly left the group at midterm and, Mr. Jerald Randol and Mr. Collis James took over as the new sponsors.

Joe and part of the group

AHS Dance Club was formed last year, and this year is even stronger than ever. The club boasts about 35 regular members who meet weekly to exercise, work on dance combinations and practice entire routines.

The Dance Club, which is sponsored by Mrs. Enloe, and assisted by Joe Huber and Sandi McCoy of Southern Illinois University of Edwardsville, offers a variety of dance techniques and styles including jazz, tap, ballet and character dance. They welcome everyone . . . beginners, people who want to lose weight, advanced dancers and people who want to have lots of good times!

Once again Dance Club participated in the Lewis and Clark Community College Spring Dance Recital in which twelve advanced dancers performed and also presented a workshop at the Illinois High School Theatre Festival on the University of Illinois Campus in January.

You want to hustle?

Alton's final record was 10-11-2. This year was a building year in Alton Soccer. An extended mid-season slump hurt the Redbird chances for a better position in the conference standings. Seniors on this years team were - Tim Acker, Brad Baker, Stewart Bramley, Mark Duffy, Chris Dunphy, Mark Giovagnoli, John Klockenkemper, Bill Mermis, Bill Toney, and foreign exchange student Felix Thommen. The leading scorer was Brad Baker with 18, Darrin Jones added 17. Mark Milford led the team in shut-outs. The J.V. Team finished the season with a winning record. Alton will look to the future based on these J.V.'s.

THE BIG RUSH IS ON!!!!

The Junior varsity and Sophomore football teams fell on a hard time in the 1978 season. The J.V. team ended up with a 0-2 record, losing to Edwardsville, 18-6, and to Belleville West, 47-7.

The Sophomore football team started off on the right foot by winning first place in the Edwardsville Jamboree, in which they posted victories over Edwardsville and Cahokia. Due to injuries and the Varsity team taking a number of key players, the sophomores had not won a game since the jamboree.

Just like a pro!!

The 1978-79 "Redbird" basketball team has made tremendous over their 9-17 record the previous year. Although the "Birds" are small by most standards they have proven to be a very competitive club. Sporting an 8-8 record to date, the Redbirds have lost 4 of those 8 games by 5 or fewer points. With continued improvement over the remainder of the schedule the Redbirds could be the surprise team in the area when tournament time rolls around. With only three seniors on this years squad the future looks bright for the Redbirds.

John Smith, a 6'1" junior guard leads the team in scoring through the first 16 games with a 21.6 points per game average. John's high game for the year was 30 points which he scored against Bellville Althoff and later duplicated against Bellville West.

## JUNIOR VARSITY BASKETBALL

Tim Redbird J.V. Squad is currently 7-4 and the Varsity after winning their first six games. Redbird is having his best five strongest point of the J.V. squad with his players averaging double figures for the season. This scoring is aided by Marcus Renken and Robert Steckard, each averaging around 14 points a game. The remainder of the scoring is coming from a trio of guards: Todd Roth (12 pts), Roger Halaman (11 pts), and Dewayne Williams (10 pts) per game. Dan Cruz, Leon Chairman and Frank Baurer have also

contributed greatly to the success of this year's squad. The J.V. team has also received great support from the sophomores that have been called on during the season: Gordon Green, Odell Fox, Dave Richardson, Mike Johnson and Ronnie Green. With the success and hard work (aided by this group) combined with this year's varsity returnees, the future looks bright for the varsity team next season.

## SOPHOMORE BASKETBALL

The 'Baby Boys' enjoyed a successful season during the 1978-79 year. Displaying fine teamwork and a stingy defense, the sophomores were victorious in a number of key games including wins over Collinsville, Madison and East St. Louis. The season was highlighted by a victory over Jacksonville in

the championship game of the Sophomore Invitational Tournament. This year's team did it again as a team for Alton High emerging as the Champions. The hard teamwork and desire shown by this year's group of sophomores should give Alton High fans much to cheer about in the future.

This was not the best year for the Redwing Tracksters but a fair one. Our over all record was not very impressive. There were some outstanding athletes. Such as: Cheryl Talbert, Orvelea Brice, Jo Ellen Pearson and Lori Terrell. These girls ran the 440, 880, 880 relay and sometimes the mile relays.

The highlight of the season was the first Annual Co-ed County meet. In this meet, Alton did well against the conference schools. Alton got a first in the 440, 880, and mile relays. Cheryl Talbert placed 1st in the 220 yd. dash and Lori Terrell placed 1st in the 100 yd. dash. It was a young team, so most of them will be returning next year under Coach Diddlebach. He will find a lot of talent in Kay Everage, Sandy Lyerla, and Lennie Williams.

Tatler '79 is perhaps Alton High's most exciting and unique yearbooks to date. We were proud to be first to introduce full color into the senior section including printing our own color candids. We also take great pride in our graphic work and feature pages. The theme throughout the book was to have fun and to produce PICTURES, PICTURES, PICTURES.

Hope that you enjoyed the book.

the 1990s, the number of people in the UK who are aged 65 and over has increased by 1.5 million (1990–1999) and is projected to increase by a further 1.5 million by 2010 (Office for National Statistics 2000). The number of people aged 65 and over in the UK is projected to increase from 10.5 million in 1999 to 12.5 million in 2010, with the number of people aged 75 and over increasing from 3.5 million to 4.5 million in the same period (Office for National Statistics 2000). The increase in the number of people aged 65 and over is projected to be particularly marked in the 75–84 age range, with the number of people in this age range increasing from 1.5 million in 1999 to 2.5 million in 2010 (Office for National Statistics 2000).

There is a growing awareness of the need to address the health and social care needs of the ageing population. The World Health Organization (WHO) has identified ageing as one of the major public health challenges of the 21st century (WHO 1999). The WHO has also identified the need to develop strategies to promote the health and well-being of older people (WHO 1999). The WHO has identified the need to develop strategies to promote the health and well-being of older people (WHO 1999).
